'todoist' For iOS Finally Gets Android Out Of The Way If

you've been holding off on switching from iOS to Android for any reason (or if you haven't made the leap at all), today's the day you don't have to wait any longer. Todoist has announced the official Android app, combining all your todo needs into one app and allowing you to sync it across multiple devices. TaskAngel Description: ? Add a todo or recurring event by just typing the title? ? Sort tasks by goals, tags, contexts, dates etc.? ? Task Angel supports hotkeys and recurrent tasks? ? Create tasks with text and add reminders? ? Filtering and sorting tasks? ? Option to synchronize tasks with other todo apps? TaskAngel Description: ? Add a todo or recurring event by just typing the title? ? Sort tasks by goals, tags, contexts, dates etc.? ? Task Angel supports hotkeys and recurrent tasks? ? Create tasks with text and add reminders? ? Filtering and sorting tasks? ? Option to synchronize tasks with other todo apps? TaskAngel Description: ? Add a todo or recurring event by just typing the title? ? Sort tasks by

goals, tags, contexts, dates etc.? ? Task Angel supports

TaskAngel

TaskAngel is an innovative to-do app that visualizes and organizes your tasks and events into a simple to-do list. From now on, every task or event will be organized in one, easy-to-manage list. Create tasks, set dates and time to them and connect them with other tasks and events. TaskAngel works in all app stores: iPhone, iPad, Android and Windows Phone. AnAdvisor App AnAdvisor App is a versatile tool for your personal financial management. You can easily enter your monthly expenses for Bills, Utilities, groceries, savings, dining out, rent, etc. and use the app to easily monitor where your money goes, manage your spending and get an easy overview of your financial situation. You can log the transactions and you can play a fun game to learn more about yourself. AnAdvisor works with your current banks and credit cards and shows you a daily total of your expenses. You can also enter your own, custom expenses and track the monthly income from your job or business. It also offers you useful tools to track your spending, visualize

your expenses and get an easy overview of your situation.
